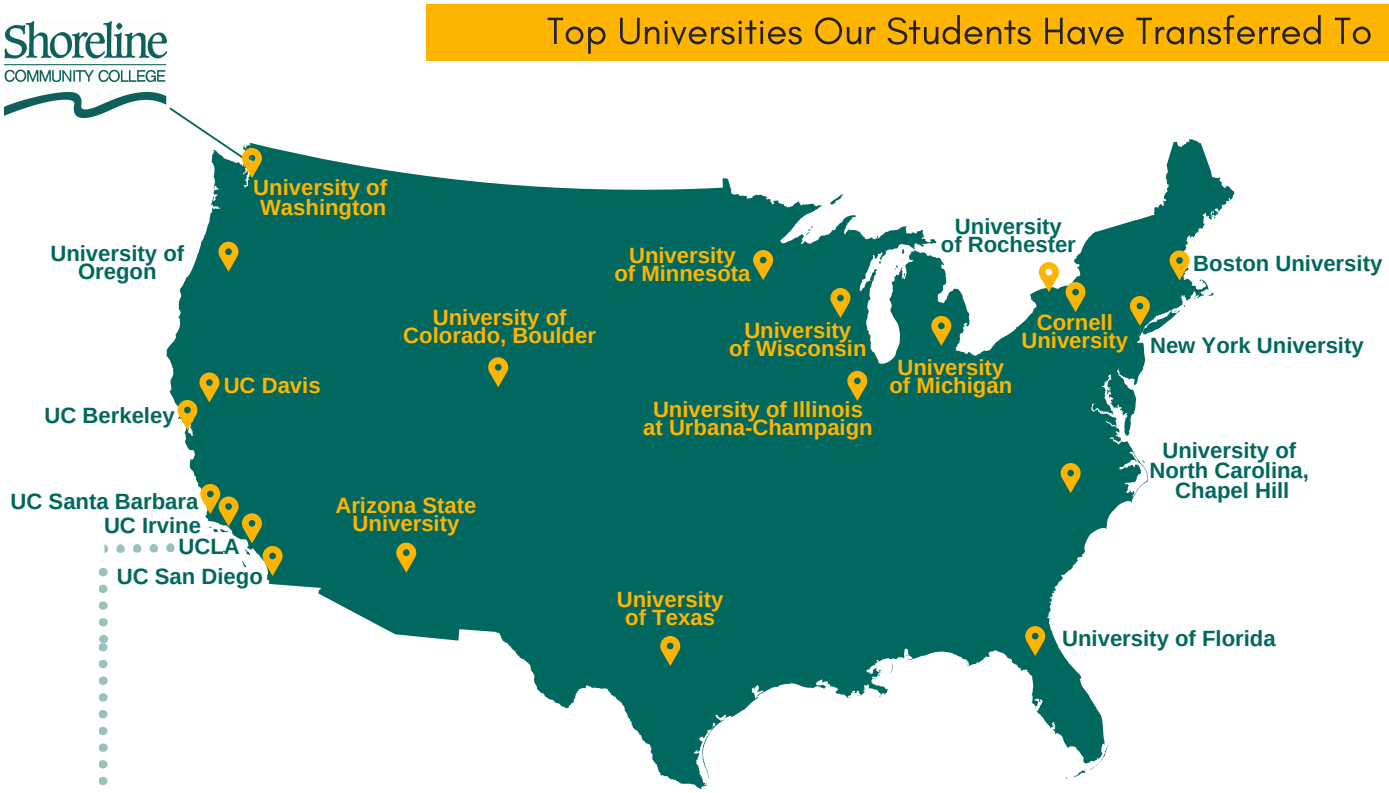
- Biology

Top Universities Our Students Have Transferred To



After attending Shoreline, I was accepted into American University, University of Maryland, University of Massachusetts at Amherst, University of California San Diego, University of California Santa Barbara, Seattle University, and UCLA. ***I am very excited that I will be attending UCLA to study Political Science in the Fall!***

Heewon Song
South Korea

One thing I definitely love about Shoreline is the International Education Department and all the lovely people who work there! The international student advisors worked with me from day one to plan my academic journey, from choosing the right classes to making sure I fulfilled all of my transfer requirements ***to be admitted into San Jose State University.*** *Optional Practical Training (OPT) is allowing me to work at* ***Adobe Systems as a Software Engineer****. I honestly don't think I would have been able to get this opportunity without Shoreline.*

High School Completion Plus

This early college program allows you to begin your college-level studies early and go on to finish your four-year degree early too! Take classes to complete a U.S. high school diploma and prepare to transfer to a university at the same time. This program is open to students who have completed the equivalent of 9th grade in the U.S. and are at least 16 years old.

Professional/Technical

"Professional/Technical" or vocational studies, provide specialized knowledge, training, and skills to begin working after two years.

Learn English

Shoreline offers basic to advanced level English classes. The advanced levels, English for Academic Purposes (EAP), help you move into regular college classes with emphasis on reading and writing about academic topics.

COSTS

Estimated Costs

	Quarter (3 months)	Academic Year (3 quarters | 9 months)
Tuition (15 credit hours)	$3,172	$9,516
Fees	$161	$483
Books (estimated)	$150	$450
Housing and Meals	$2,475	$7,425
Health Insurance	$337	$1,011
Personal Expenses	$350	$1,050
Total	**$19,935**	

Studying two years at Shoreline has helped me save the time that I needed to finish the last two years of high school and the cost of studying at a four-year university. ***My family saved a lot of money since 4-year universities can cost up to 3x as much!*** *Shoreline also helped me transition into the U.S. culture and education system, which has* ***prepared me to finish my bachelor's degree at the University of Washington.***
